Mike: The attached Notice was new to PPG until receipt of [redacted] message on this date.

On a priority basis would you please review and forward any comments to PPG not later than noon 20 May.

The C/PPG is of the opinion that mention of the Office of Security should be left out of the Notice notwithstanding the reference to [redacted]. His rationale is that the Notice relates only in a secondary manner to the Office of Security and that as a personal preference he wishes matters which are strictly legal to be handled by the Office of General Counsel rather than by this Office.

If you do not agree with the position of the C/PPG, it is requested that you or another officer in PSI contact the C/PPG in order to reach agreement on whether or not we will endorse the attached.

PSI preferred the Notice as is & the C/PPG accepted this. On this date RCB was advised of no OS objection to the Notice. [redacted]
